

Curating Checklist

Create Your Style

Creating a Pinterest board is one of my favorite ways to decide the feeling I want my room to feel!

STEP
01

Go for a Pop

My favorite way to evoke feeling is with color! Decide what you want to POP in your room. Use your color on the walls or in your decorations.

STEP
02

Get to Moving

Re-arrange your furniture to create a different feeling!

STEP
03

get your green on!

Add an easy pop in all of your rooms by picking plants that work in your space, and with your schedule. .

STEP
04

Repurpose

One of the easiest ways to change the look of your room is to repurpose your old furniture. Chalk paint is your new BFF!
